Support Agora Dialogue

It has now been three years since the main operations of Agora Dialogue were moved to Cyprus and it has been a very busy time indeed.

We organised a very successful colloquium with the participation, among other distinguished attendees, of Nobel Prize laureate Jose Ramos-Horta. We hosted a conversation with George Bizos, one of the most inspirational figures of our time, a tireless champion of human rights and a lifelong friend and associate of Nelson Mandela. We ran a fascinating two-day symposium on the future of democracy, which, aside from the thought-provoking discussions, also became the first public forum at which an influential, Europe-wide report on sustainable equality was presented. We organised or participated in a number of lectures, exhibitions, and performances. We are steadily expanding our international network of alumni and friends. We are currently feverishly organising our second colloquium, which will be held on 8-13 December 2019 at the Alion Hotel, Ayia Napa, Cyprus.

Agora Dialogue is now ready to enter a new phase. We have laid solid foundations and have managed to get the organisation registered as an important presence offering an original and valuable service. Now is the time to expand and establish Agora Dialogue as a central European not-for-profit, non-partisan organisation that strives to contribute to a just, prosperous, and sustainable society by influencing the attitudes of people on the ground through sharing knowledge and ideas and encouraging critical reflection and dialogue.

Just as none of these achievements would have been possible without the valuable and immensely appreciated assistance of alumni, partners, and friends, so will we not be able to move forward without you. We therefore hope that you will continue to offer your support to Agora Dialogue and help it to accomplish its mission.

Your support can come in a variety of forms. The following list is by no means exclusive. Should you have any other ideas, we would be more than happy to discuss options with you so please do not hesitate to contact us.

- True to the principles of transparency and independence, Agora Dialogue does not rely on any kind of funding that would undermine its mission and compromise its operations. Growth, however, means increased cost and we would be enormously grateful, if you considered making a **financial donation**, however small, to help us to achieve our goals. If you wish to make a direct bank transfer, here are the details: AGORA DIALOGUE LTD, IBAN: CY29002001950000357030274283, BANK OF CYPRUS SWIFT CODE: BCYPCY2N. If you wish to make a donation in alternative ways, please let me know and we'll make the necessary arrangements. Your contribution will of course be duly acknowledged unless you otherwise instruct us.
- Spread the word! Do let your organisations as well as your professional and social circles know of Agora Dialogue.
- If you know of someone who would be a good addition to and interested in the programme, please do speak to her or him about it and we can then get in touch directly.
- Let us know of any ideas you might have for a short course or a lecture that might be needed and that we might be able to offer.
- Contribute to our Forum. It is an excellent and flexible platform for sharing your knowledge and ideas.
- If you think you can provide a service, a venue, consumables and so on, please do let us know.

We hope you will agree with us that these are exciting times for Agora Dialogue. We are delighted that you share the organisation's vision and hope to count on your support in the future.
